1 On this mean- ing- ful oc- ca- sion, Je- sus, hon- ored Wed- ding Guest,
2 Now we re- min- isce and mar- vel How God's prayed- for will is done,
3 Trace God's rea- son for this mar- riage, Why these two, and why this long?
4 Saints of ev - ery gen- er- a - tion, When they shed life's fra- gile tent,

Join us in this cel- e- bra- tion Of a un- ion You have blessed
How a faith- ful man and wo- man Meet and pledge to live as one -
What gifts did they get to nur- ture, Spec- ial traits to pass a- long?
Look on life as just a pre- lude To that end- less won- der- ment,

With a love in- spired by You: Self- less, to- tal, true.
Ans- wer to a life- long search, Christ- like for the Church.
At this time and in this place Prize the gifts of grace.
Where they sing with tongues of fire In the heav- 'nly choir.
